

S.2 HOLIDAY WORK

1. Imagine you are a student leader and have been given a chance to address your fellow students about the COVID 19 pandemic during an assembly held soon after you have resumed studies. Write a speech you would deliver and in it include what you understand by COVID 19, how it is spread, and how everybody can stay safe from this disease while at school.
2. Write an original story of not more than $1\frac{1}{2}$ pages based on the topic COVID 19. Paragraph your work appropriately.
